

TENNESSEE GENERAL ASSEMBLY  
FISCAL REVIEW COMMITTEE

**FISCAL NOTE**

**HB 2100 - SB 2231**

February 2, 2016

**SUMMARY OF BILL:** Defines “breakfast” relative to specific service sign purposes within the rights-of-way of highways on the interstate system and adjoining public roads as the first meal of the day commonly taken in the ante meridiem.

**ESTIMATED FISCAL IMPACT:**

**NOT SIGNIFICANT**

Assumptions:

- Pursuant to Tenn. Code Ann. § 54-5-1101(a), a specific business establishment is not to be excluded from participating in the specific service sign program because such establishment does not serve breakfast. The establishment may occupy any available space on a specific service sign if doing so would not exclude a business establishment that does serve breakfast.
- Defining “breakfast” for the purposes of the specific service sign program, as proposed by this bill, will not impact the operation of the program and will not result in a significant fiscal impact to the Department of Transportation.
